

# Real-Time PCR for diagnosis and expression workshop

Biochemistry and  
Molecular Biology Department  
Theodor Bilharz Research Institute

## Topics will be covered

- Nucleic acids Extraction.
- Primer and probe design.

- Real-Time PCR Reaction.
- Data analysis.

On the sidelines of  
TBRI  
Annual Conference 2022

PRESIDENT OF TBRI:  
Prof. Dr. Hanan Khafagy

29-30  
November  
2022  
TBRI

## Trainers:

Ass. Prof. Sami Mohamed Nasr  
Ass. Prof. Hend Okasha Ahmed  
Dr. Safia Samir El Naggar

**Workshop Fees :750 L.E.**

Number of seats are limited.  
priority attendance for the  
pre-paid participants.  
payment must be  
before 15 Nov. 2022  
At the training unit,  
TBRI.

Prof. Mohamed Shemis  
Head of Departements of Biochemistry  
and M. Biology and Medicinal Chemistry  
Prof. Ehab El Dabaa  
Head of Biochemistry and M. Biology Departement  
Consultant: Prof. Mohamed Ali Saber  
Director of Workshop: Ass. Prof. Samah Mamdouh
